Circular No. 2015/50

Date: 11/07/2015

Dear Comrades,

## **INDEFINITE STRIKE BY DBOO VERSUS DEEP SLUMBER OF MANAGEMENT** **STATE WIDE STRIKE IN KERALA ON 15<sup>TH</sup> AND 16<sup>TH</sup> JULY, 2015**

We reproduce, hereunder, the contents of the Circular No. 2015/47 of date, on the captioned subject issued by Com. Harvinder Singh, General Secretary, AIBOC for your information and circulation among the members.

### **QUOTE:**

Struggle of DBOO has entered its 30<sup>th</sup> day and indefinite hunger strike 11<sup>th</sup> day despite all odds, inconveniences and road blocks created by the Management. Members of DBOO remain undeterred because the cause for which they are fighting is not only to seek justice for their Leader and members of the Organisation but also in the larger interest of the very Institution for which they have been dedicatedly working. The apathy and atrocious silence of the Management has thrown all concerns to the winds ! This apathy is like double edged sword which on one side is wounding the very existence of the bank to such an extent that regaining a normal position by this 88 years old Dhanlaxmi Bank would take heaps of efforts and from the other side making the large dedicated workforce to bleed.

As part of the agitation programme chalked out for today, there would be a human chain formation today at 3.00 pm starting from Samara Pandal, Thekkenada, Thrissur. At Kollam, the hunger strike has been organized near the Collectorate, whereas, at Thiruvananthapuram, the venue of hunger strike is at Dhanlaxmi Bank Office, Iddappazhinji, ahead of Cotton Hill School. At Kozhikhode, Mallapuram and Ernakulam, massive demonstration and rallies are being organized in the coming days. We appeal to all our Affiliates to mobilize their membership at large and make the formation of human chain a historical one and a grand success.

The DBOO struggle being for a just cause is being acknowledged by all quarters and getting wide and extensive support from all political parties in the state, Central Trade Unions, well meaning citizens, students and youth organizations etc.. Though the Management is resorting to all tricks to block the publicity of the issue in the state but there has been wide media coverage in other States. The issue has been covered prominently by the Business Hindu Line today.

We once again appeal to our members/ District Committees and Kerala State Committee to be in full preparedness to make the Kerala wide strike of 15<sup>th</sup> and 16<sup>th</sup> July, 2015 a grand success.
