Dear Sir,

INDUSTRIAL UNREST IN UCO BANK

NOTICE OF STRIKE BY ALL INDIA UCO BANK OFFICERS` FEDERATION

Greetings from AIBOC representing 3,20,000 Officers in the Banking Industry.

Our attention has been drawn to the recent disturbances to cordial industrial relations in UCO Bank. When the bank is facing serious crisis on account of rising NPA and depleting capital, It is expected that industrial relation should be ideal. But we are constrained to observe that the industrial relations have deteriorated in the Bank which is causing anxiety and concern to us.

You may recall that the AIBOC had been supporting both the management and the affiliate association for Turn Around of the Bank without losing its identity. When the GOI is hell bent to merge the Public Sector Banks and privatise over a period of time, it is expected that all the stake holders maintain restraint. The provocations from either side should be put to rest and issues be settled amicably.

The AIBOC in its recent meeting took serious note of the development in UCO Bank and the unilateral and arbitrary action of the management causing large-scale discrimination and deprivation to majority officers. We also wish to put you on notice that if the issues are not resolved and the cordial IR is not restored, the AIBOC cannot be expected to be a witness to these attacks, rather AIBOC would be compelled to express its total solidarity with UCO Bank officers by resorting to agitation in all Banks strike including all India strike. We are sure that the management of UCO Bank would intervene in the matter effectively.

Yours faithfully,

(D.T. Franco)
General Secretary
