Text of Circular No. UFBU/ 2023/06 dated 03.02.2023

Dear Comrades,

Extend support to the agitation in Bank of Maharashtra All India Strike on 9th and 10th February, 2023

United Forum of MahaBank Unions in Bank of Maharashtra has given a call for agitational programmes including 2 days All India Strike on 9th and 10th February, 2023 on various demands and against the anti-Union approach of the management. The Union has approached us and requested to extend support to their agitation.

Earlier, there was an All India Strike on 27th January, 2023 which was a total success. From UFBU we extended our support to their strike. We also addressed our letter to the Managing Director of Bank of Maharashtra. It is unfortunate that the management, instead of coming forward to resolve the issues amicably, is adamant and continues its hostile approach. Hence the strike dated 9th and 10th February, 2023 has now been forced on the Unions.

From UFBU we extend our support to the strike in Bank of Maharashtra and we demand that the management of Bank of Maharashtra should immediately discuss with the unions and resolve the demands besides recognizing and adhering to labour laws and bipartite settlements.

We call upon all our Unions to extend their support to the agitation in Bank of Maharashtra by participating in the protest demonstrations.

With greetings,

Yours comradely,

**Sd/-
